PRODUCT OVERVIEW

Speeding Up The Industry  
One Product At A Time

# WATERMAX™

## MADE IN AMERICA

All metal fabrication and engineering is done in our Indiana facility

## HEAVY DUTY

Made from durable materials/Built tough for years of reliable field use

## LONG LIFE SPAN

Durable cart and stainless steel controls protect your investment

## PORTABLE

Small, lightweight, powerful/Easy to transport and use anywhere

## HIGHLY DEPENDABLE

Digital water measurements deliver reliable output

## EASY TO CLEAN

Sealed plastic cone bottom tank make it easy to keep your water clean

## BENEFITS

- High level of accuracy
- Batch consistency
- More consistent yield from product
- Saves money makes a bag of material go farther
- More accurate than timers
- Easy to move by hand or with fork lift

## Look What Our Customers Say ...

“Hy-Flex has been our equipment partner for many years. The quality of pumps is second to none, and their technical support is outstanding. We look forward to using Hy-Flex equipment for years to come.”

Robert F. Taglienti  
Co-Owner  
East Coast Fireproofing Co.

“I’ve used almost every pump on the market. Hy-Flex pumps are the best! Simple, powerful and reliable are the best words I can use to describe these great machines. I could never see Specialty Spray Systems going back to the other pump makers. Ever.”

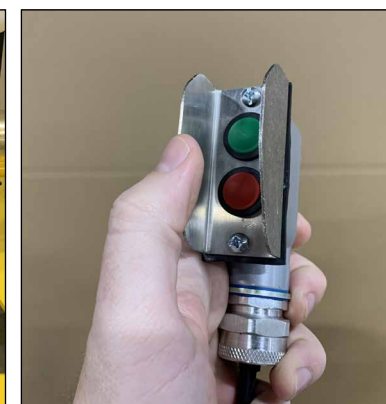

Scott Sellers  
President  
Specialty Spray Systems

**Portable & Powerful. Period.**

Easy tank cleanout and drain

Remote start & stop

Securely mounted to cart

Easy to use controls & instructions
